

## **REMARKS**

The Office Action dated August 10, 2005 has been reviewed. Claims 19-21 have been allowed. Claims 1-18 and 22-23 have been cancelled without prejudice to expedite the issuance of claims 19-21. Claims 1-18 and 22-23 have not been cancelled in view of the prior art rejections and such claims will be pursued in continuation patent applications. To preserve Applicant's rights to pursue claims 1-18 and 22-23 in a continuation patent application, Applicant respectfully disagrees with the rejections and the Examiner's statements in the Office Action dated August 10, 2005. In view of the foregoing, it is Applicant's belief that the above-referenced patent application is in condition for allowance.

## **Summary**

The foregoing is intended to be a complete response to the Office Action mailed August 10, 2005. Reconsideration and withdrawal of the rejections is respectfully requested. Should the Examiner have any questions or comments

regarding the foregoing, Applicant's attorney would welcome a telephonic interview with the Examiner.

Respectfully Submitted,

*Marc Brockhaus*
